Quality-system assessment reports

Audit of the plant on June 9, 2014. Inspection report of VTT Expert Services Ltd number VTT-Q-00228-05-14, dated June 26, 2014.

Conditions

The manufacturer must fulfil the obligations arising out of the approved quality system

The manufacturer must keep the notified body informed of any updating of the quality system.

This approval is subject to an annual renewal audit.

Notes

This certificate authorizes the manufacturer or his authorized representative established within the Community in conjunction with the EC Type Examination (Module B) Certificate of the equipment listed in the appendix of this certificate to affix the "Mark of Conformity" (wheelmark).

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the notified body named in this certificate and after lapse of time, withdrawal or revocation of the EC Type Examination (Module B) Certificate.

END OF CERTIFICATE
